

NAKC Lending Library – Members Education Program

The members of NAKC wish to share our collections of educational dog media and books with other members of NAKC; both our new members learning about dog shows, performance activities and breeds, and also for our older members who want to expand their dog subject interests. Keep in mind most of these materials are being borrowed from other member's private library's and are being shared just for the benefit of our members only – please treat all materials with care. If there are any problems with the materials, please let me know when you return it so it can be fixed, replaced or taken out of the library.

1. All materials are due at the next meeting. If you cannot attend the next meeting, you are required to send them by Priority Mail or drop them off at Cj's or Sherry's home in time to be received before the meeting. Please, only two items should be borrowed at one time.
2. By borrowing the materials, you agree to return said items borrowed in good condition in the allotted time and be responsible for any replacement costs due to loss, preventable damage or materials not returned. Loan periods are from one general meeting to the next general meeting or event which replaces general meeting.
3. Contact Cj Titus (Program Chair) at cj@dbarcy.com (prefer email) or phone and leave message at (870) 404-1758 with your name and what book/tape/dvd (s) you would like to borrow. We will bring the material(s) to the next general meeting or activity for you to take home for the following month until the next general meeting.
